The Hon. George R. Cherry died at his residence in Oconee County on last Saturday night, after an illness of a short time from an affection of the kidneys. Mr. Cherry was at the time of his death in the 67th year of his age, and was a prominent and influential man in his County. He was three times a Representative of Oconee County in the State Legislature, and was always a very popular man. He was a native of Anderson County, but had resided in Oconee for more than forty years. Mr. Cherry was one of the most modest and unassuming men that we have ever known. He was a man of considerable means, but always expended a large portion of his income in unostentatious charities, that have made hundreds of suffering hearts rejoice. In his death his community has lost a good citizen, a useful man and a kind and benevolent neighbor. His remains were interred in the Stone Church burying ground, after appropriate funeral services, conducted by the Rev. J. B. Adger, D. B.

The largest taxpayers in the City and County have paid their taxes to the Savannah Valley Railroad Company. The leading opposition to it has ceased, and those who intended making the fight have paid up, so that those who have not yet paid had better do so in the next ten days, and thereby get rid of the cost of executions, &c. The taxes will certainly have to be paid, and it is better for us to pay up without cost than with it. The installment to be collected this year closes the subscription, and the people will, when they pay this time, be done with it.

In writing up our report last week of the different displays made by some of our merchants at the Fair, we unintentionally neglected to mention the beautiful and attractive display of fancy groceries, confectioneries, canned goods, &c., exhibited by Messrs. Death of Hon. R. F. Simpson.

Death of Hon. R. F. Simpson.

Hon. Richard F. Simpson, of Garvin township, in this County, died at his residence on last Sunday afternoon about one o'clock, after an illness of a few days. Maj. Simpson had led an eventful and honored life, and was at the time of his death in the 84th year of his age. He was a native of Laurens County, and resided there until he was near fifty years of age. He served as an officer in the Florida war, and was at least one term r State Senator from Laurens County, After his removal to Anderson County, he was for three or more terms elected as a Representative of the District in Congress. He was always a very popular man, and was greatly beloved by his neighbors and friends.

His death, after a life of usefulness and honor at such a ripe old age, is regretted by all who knew him, for he was to the last a most genial companion and a trusted counsellor. His remains were interred in the family burying ground with Masonic honors on last Monday, after appropriately beautiful and solemn funeral services had been performed at the residence of the deceased, by the Rev. S. B. Jones, D. D. We have not the information necessary to a proper sketch of Maj. Simpson's life, and therefore we would be pleased to have some friend furnish us with a more extended biography for our next issue. He was a distinguished public servant for many years, a sketch of whose life would interest many of our readers.
